Supervisor Antonovich made the following statement:

“National Weights and Measures Week is being observed during the week of March 1 through 7 by State and local jurisdictions throughout the United States. This is the recognition of the first Weights and Measure law, passed by the United States Congress on March 2, 1799.

“The County of Los Angeles Department of Agricultural Commissioner/Weights and Measures has chosen the theme for the County’s observance: ‘Weights and Measures: Balancing the Marketplace.’ This issue has special significance to every consumer, in Los Angeles County, purchasing any commodity over a scale.

“The Agricultural Commissioner/Weights and Measures Department routinely conducts undercover inspections at retail facilities. These inspections have uncovered and corrected problems, fortifying the integrity of the sales process and enhancing consumer awareness.”

Therefore, on motion of Supervisor Antonovich, seconded by Supervisor Molina, unanimously carried (Supervisors Yaroslavsky and Knabe being absent), the Board took the following actions:

1. Proclaimed March 1 through 7, 2008, as “Weights and Measures Week,” throughout Los Angeles County; and
2. Urged everyone to recognize the very valuable contribution to the economic welfare of the communities of the County being made by the Department of Agricultural Commissioner/Weights and Measures.
